**Aldridge**  
Masters of Security Distribution

The image features two pieces of access control hardware against a solid green background. On the left is a silver-colored metal door strike, a rectangular component with a central locking bolt and several screws. On the right is a black, rectangular electronic control unit with a textured surface and three small circular indicators at the bottom. A thin black cable connects the two devices.

**Aldridge**  
Masters of Security Distribution

The image features a dark teal background with a lighter teal gradient at the top and bottom. In the center, there is a photograph of two pieces of architectural hardware. On the left is a door handle with a rectangular plate and a lever. On the right is a pair of hinges. The hinges have the word 'Eclipse' and 'BS EN 1935 Grade 10' embossed on them. The Aldridge logo is in the top right corner.
