

# ABUS Titalium 80TI Series Long Shackle Padlock

## Description

---

The flagship of the TITALIUM family of padlocks makes an impression with both its look and its technical properties. Within a massive lock body is a 6-pin precision cylinder with paracentric keyway giving protection against both forced or manipulative breaking.

## Features

---

- Double bolted
- Hardened steel shackle with nano protect plating for extra corrosion resistance
- Solid lock body made from lightweight aluminium alloy
- Chrome plated cylinder plugs with additional corrosion resistance
- 6 pin precision cylinder with paracentric keyway
