

ASEC 75mm Loose Pin Butt Hinges

Description

These Asec Loose Pin Butt Hinges are sold in packs of 2 and have countersunk screw holes to provide a flush finish. They have a loose pin connecting the two halves of the hinge, once removed it allows the hinges to be separated and therefore the door to be easily removed without the need to unscrew the hinges.

Features

- Countersunk screw holes for a flush fitting
- Sold as a pair
