

## ASEC Sliding Wardrobe Double Gear

### Description

---

The Asec Sliding Wardrobe Double Gear system is designed to be used with 2 top hung panels of up to 50kg. This product is fitted to the blind side of the opening, and fully adjustable with face fix hangers and precision bearings. It is possible to extend the Wardrobe Double to a 3 panel application by adding the Wardrobe Single.

### Features

---

- Various opening widths
- Precision sealed bearings for durability and noise reduction
- Can be extended to 3 panels on 3 lines by adding 1 x Asec Sliding Wardrobe Single Gear (AS10906)
- Adjustable face fix hanger
- Top hung system
