

ASEC `Fire Escape Keep Clear` Sign Photoluminescent 300mm x 200mm

Description

Fire exit and evacuation sign in photo luminescent finish. In the event of a fire or emergency signs can often be impaired by poor lighting, smoke or even lack of power. The signs remain highly visible even in complete darkness.

Features

- 300mm x 200mm
- Clear and legible safety instructions
- Photoluminescent - glows in the dark
