

BORG LOCKS BL5201 Marine Grade Pro Digital Lock

Description

The BL5201MG digital lock is part of Borg's Marine Grade Pro series which have been specially designed for marine applications where ISPS compliance is necessary. This non-handed medium to heavy duty digital lock is suitable for use on DDA applications and comes with a 60mm latch, 12 large indented buttons and a clutched handle which protects against forced entry and lock damage. Cycle tested to 100,000 operations and salt spray tested for over 1000 hours, the BL5201MG is a digital lock for the toughest environments.
