

BORG LOCKS BL5008 Digital Lock With Adaptor Kit & Spindle

Description

The Borg BL5008 Digital Lock comes standard with adaptor kit and spindles for fitting to a panic device. The round bar handle and 12 large indented buttons make this non-handed medium-to-heavy duty digital lock suitable for use on DDA applications. With a clutched keypad handle to protect against forced entry and lock damage, you can be sure the BL5008 can withstand plenty of use.
