

# BORG LOCKS BL5402 Digital Lock With Inside Handle And 28mm Latch

## Description

The Borg BL5402 Digital Lock comes standard with a 28mm latch and an optional free passage feature which can be disabled if not required. This non-handed medium-to-heavy duty digital lock with flat bar handle and 12 large indented buttons is suitable for use on internal and sheltered external applications. With a clutched keypad handle to protect against forced entry and lock damage, you can be sure the BL5402 can withstand plenty of use.
