

BORG LOCKS BL5408 Digital Lock With Adaptor Kit & Spindle

Description

The Borg BL5408 Digital Lock comes standard with adaptor kit and spindles for fitting to a panic device. This non-handed medium-to-heavy duty digital lock with flat bar handle and 12 large indented buttons is suitable for use on internal and sheltered external applications. With a clutched keypad handle to protect against forced entry and lock damage, you can be sure the BL5408 can withstand plenty of use.

1 Year Guarantee
