

Description

The Briton 2003V Door Closer is an extremely reliable and versatile choice of door closer. With a 10 Year manufacturer's guarantee, it meets the requirements of EN1154 and it is UKCA and CE Marked. It is rated EN1634 fire tested at 2 hours for timber fire doors and 4 hours for steel fire doors as well as being Certifire approved to CF111 (please note that approval covers regular and transom applications only).

It is spring adjustable, with a strength size of 2 - 4 (1-3 in parallel arm fixing) as well as fully adjustable closing and latch action, with concealed adjustment to prevent unauthorised tampering with the device. The 2003V closer is easy to install with reversible handing and backcheck and it is suitable for use with doors up to 80Kg and 1100mm width.
