

Description

The Briton 2400 series of Concealed Cam Action Door Closers combine an innovative design with the very latest in cam technology. Briton 2400 door closers are ideal for use in situations where a discreet fixing is required or preferred. The non handed device is suitable for all popular applications and has a maximum opening of 120°. This range is fully adjustable to EN2-4 and is CE marked in all power sizes and applications for EN compliance. The Briton 2400 series of Concealed Cam Action Door Closers is fire tested to EN1634 standards on timber doors to achieve a 1 hour fire rating, and are covered by a 10 year warranty.
