

ABUS 158 Series Combination Closed Shackle Padlock

Description

The Abus 158 series combination closed shackle padlocks are built with tough die cast bodies and have a resettable combination which allows you to set your own PIN. The closed shackle padlock construction makes it especially resistant to shackle attack, it is ideal for sheds, tool boxes and ladders.

Combination Mechanism

Features

- Hardened steel shackle resists hacksaw attacks
- 4 digit (50mm) or 5 digit (65mm) resettable combination : Set your own PIN
- Tough die cast body for durable security
