

ASEC Vital 6 Pin Half Euro Dual Finish Snap Resistant Cylinder

Description

The Asec Vital dual finish 6-Pin Half Euro cylinder has a combined finish of a nickel plated body and a polished brass plug, this gives you a stylish yet cost effective cylinder that is suitable for use in both nickel and brass applications. These cylinders are drill, pick and pull resistant and have a sacrificial cut that increases the level of security against snapping with a predetermined break point.

Asec Vital 6 Pin Euro Cylinders can be keyed alike (please note that these cylinders are unable to be keyed alike with Asec Vital Rim or Screw-In Cylinders), they have a 6-pin mechanism with 30,000 differs, are certified to EN1303 and come complete with 3 keys and a retaining screw.
