

Action Polycotton Sweatshirt Navy

Description

Hard-wearing polycotton sweatshirt with a warm fleece inner, which is ideal for use as corporate and professional workwear. Featuring ribbed cuffs, neckline and waistband for both warmth and safety purposes, preventing cuffs from being caught in machinery or racking. The durability and warmth makes them particularly suitable for use as workwear either outdoors or in potentially cold environments such as warehouses. The fabric can be embroidered, making them an ideal choice for companies wishing to embellish staff workwear with their own logos.

Features

- Ribbed cuffs & waistband
