

WINKHAUS OBV Window Restrictor Angle Packers

Description

These angle packers from Winkhaus are designed to suit the Winkhaus OBV Window Restrictors. When using the restrictors on windows where the mounting face of the up stand is not square an angled packer will be required to help achieve a secure fit.

Features

- On windows where the mounting face of the up stand is not square an angled packer will be required
- Allows secure fitting to UPVC windows
- To suit the Winkhaus OBV Window Restrictors
