

GORILLA Superglue

Description

Gorilla dominates the adhesives market with their incredibly strong and 100% waterproof glues. This Super Glue features the unique Impact-Tough™ Gorilla formula, which contains tiny rubber particles which help to form a stronger bond which protects against bumps, bangs and drops. It is suitable for use on a wide variety of materials, including wood, metal, brick, paper, rubber and ceramics and it is incredibly easy to use with just 10 - 45 seconds drying time and no gripping required. It is also designed with an anti-clog cap featuring a metal pin to keep the nozzle clean and keep air out. Additionally, the Brush & Nozzle version has been developed as Gorilla's most user-friendly super glue option yet, with a choice between two different options of application methods.

Weather Resistant

Features

- Only a small amount required
- Brush & nozzle version gives 2 dispensing options
- Incredibly versatile, may be used on a wide range of materials
