

O'KEEFFE'S Unscented Lip Repair Balm

Description

Following the success of their bestselling Working Hands Cream, O'Keeffe's developed a Lip Repair Cream with the same hardworking qualities. It helps to heal severely dry, cracked lips and reduce discomfort, filling gaps and soothing sore patches while creating a protective barrier. The Lip Repair Balm has a unique formula containing Polysilicone 11 & Lexorex 200, forming a multi-layer flexible barrier which moves with your lips. The effective formula is non greasy, hypoallergenic, unscented and easy to apply, providing all day moisture - even after eating or drinking.
