

# ULTIMATE Yale PLATINUM Lock-Pick

## Description

---

The UltiM8 Yale Platinum Lock Pick is designed specifically for use with the popular Yale Platinum High Security 3 Star British Standard Euro Cylinders. This pick & decode lock pick set is able to deal with both sizes of this well recognised lock, using 3 'Part-Pick' blades (1 for the 9 pin, 1 for the 11 pin & the other for the 13 pin locks) which automatically hold the deepest pins at the correct height. It comes in a protective carry case for maximum convenience. Contact the suppliers to get FREE online access to all of their useful instructional/How2 videos to help you master not only Yale locks but other high security cylinders too.
