

TROJAN Sparta Tilt Before Turn Espag Handle

Description

The Sparta Tilt-Before-Turn Handle from Trojan has an ergonomic style and is available in a variety of finishes to suit other door furniture. It is lockable in both the closed position and the tilt position which allows for a more secure form of ventilation. 90° degree turn of the key allows movement to tilt only, while 180° degree turn of the key allows full operating of the sash. It is a reliable choice of handle, having been cycle tested to 25,000 operations and corrosion tested to BS EN 1670, and it is supplied with a 10 Year manufacturer's guarantee, giving full peace of mind to the user.

Supplied With 1 Key

10 Year Guarantee

Complies To BS EN
1670
