

Description

The ACT 5e prox digital keypad plus proximity is a simple to use and easy to install standalone access control product that supports the ACT RFID cards & fobs. Keypad backlighting enhances functionality at night or in poor light conditions. The ACT 5e prox digital keypad with proximity is contained in a stylish polycarbonate housing, with stainless steel keys and potted electronics, allowing for indoor and outdoor installation. The ACT 5e prox may be surface or flush mounted on to a standard single gang electrical back box.

IP 67 Rated
