

ERA Magnetic Drive Flexi Adjustment Tool

Description

This adjustment tool from Era is a useful addition to any toolbox, featuring a magnetic 6.5mm bit driver with a flexible shaft, making it ideal for completing jobs in hard-to-reach areas. It is recommended by Era for making on-site adjustments to sash window balances and has a soft grip handle.

Features

- Helpful tool for on site adjustments
- Magnetic 6.5mm (¼ inch) bit driver
- Flexible shaft for ease of use
- Soft grip handle
- Ideal for use with vertical sliding sash windows
