

ARREGUI Zaguan Mail Box

Description

The Arregui Zaguan Mailbox is weather and corrosion resistant and, with its smaller size, it is ideal for use in confined spaces. Zaguan mailboxes have a durable powder coated steel construction and an aperture size of 182mm x 30mm which will take A5 and C5 sized envelopes. It can be used as a standalone mailbox or as a mail collector combined with a letter plate and is supplied complete with fixings and 2 keys.

Arregui are one of Europe's leading mailbox manufacturers, all products are created using state of the art manufacturing processes.
