

Trojan 38mm - 78mm Letter Plate

Description

This letterplate from Trojan has a sleek and ergonomic design which is available in a variety of finishes, matching seamlessly with the Trojan Sparta door handles. It is a reliable choice of letter plate as it is PAS 24 accredited and has been thoroughly performance tested. This performance testing includes 480 hours of salt spray testing (for grade 5 classification in BS EN 1670), 100,000 opening & closing cycles, and weather testing in line with BS EN 13724:2002.

A peripheral seal on the external flap ensures a full thermal and acoustic barrier for the door, and the flap opens to 180 degrees. The letter flap has a Grade 304 Stainless Steel construction for corrosion resistance, and the unit is supplied with 25 Years Anti-Corrosion Guarantee as well as a 10 Year Mechanical Guarantee from Trojan plus all required fixings and instructions.

10 Year Guarantee

Complies To BS EN 1670

Weather Resistant

Features
