

ASEC Vital 6 Pin Rim Cylinder

Description

This 6 pin rim cylinder from Asec's Vital range is an ideal entry level cylinder for remedial jobs and is often used in conjunction with a rim nightlatch on wooden doors. Supplied complete with 5 keys and a fixing screw and has a combined finish of a nickel plated body and a polished brass plug, this gives you a stylish yet cost effective cylinder that is suitable for use in both nickel and brass applications. Asec Vital 6 Pin rim cylinders can be keyed alike with other Asec Vital euro and oval cylinders in the range, however, please note that these cylinders are unable to be keyed alike with Asec Vital screw-in cylinders).
