

ASEC Vital 6 Pin Screw In Cylinder

Description

This 6 pin screw in cylinder from the Asec Vital range is a good mid range cylinder which is ideal for use in conjunction with a metal door lock. It is supplied complete with 3 keys and has a combined finish of a nickel plated body and a polished brass plug, this gives you a stylish yet cost effective cylinder that is suitable for use in both nickel and brass applications.

It is available either single keyed to differ or as a keyed alike pair. Asec Vital 6 Pin Rim Cylinders can be keyed alike (please note that these cylinders are unable to be keyed alike with Asec Vital Euro Cylinders).
