

WINKHAUS OBV Adaptor Plate For Aluminium Windows

Description

Adaptor plate from Winkhaus designed to allow their popular OBV safety catch/restrictor to be used on windows with aluminium frames. It features a choice of countersunk screw holes for a flush fitting finish, and the adaptor is symmetrical, making it non-handed.

Reversible Handing

Features

- Choice of fixing holes to achieve the perfect fit
- Symmetrical design for convenience in installation
- Countersunk screw holes
