

BORG LOCKS BL2601MG ECP Marine Grade Easicode Pro Digital Lock With Optional Holdback

Description

The BL2601MG ECP digital lock is part of Borg's Marine Grade Pro series which have been specially designed for marine applications where ISPS compliance is necessary. This model features Borg's Easicode Pro choice of recoding, which allows a quick, on the door code change. This non-handed medium duty digital lock comes with a 60mm latch and optional holdback which can be removed if not required. Cycle tested to 100,000 operations and salt spray tested for over 1000 hours, the BL2601MG is a digital lock for the toughest environments.
