

Description

The BTS80F range of concealed door closers from dormakaba (formerly known as Dorma) offers a discreet, highly adaptable door closer that is suitable for use on fire and smoke check doors. Available in both handed and non-handed variants, this fixed backcheck floor spring is suitable for use on doors up to 300Kg in weight and 1100mm in height. This CE marked and Certifire approved door closer features full hydraulic control of the closing action from 180° and adjustable latching. This unit is suited for use on single action doors only and is supplied with cement box.
