

Description

The SA7L from Bulldog is a removable hitch post with a highly visible yellow powder coated finish. It is supplied with the Bulldog Super Lock Bolt, which is case hardened and attack resistant, as well as with 2 keys. The Lock has a dust cover to prevent the ingress of dust and dirt. There are no protrusions when the post is removed and a protection plate is also supplied to cover the ground socket opening when the hitch post is removed for access.

10 Pin Mechanism

Supplied With 2 Keys

5 Year Guarantee
