

MASTER LOCK Excell Long Shackle Padlock

Description

This MASTER LOCK Excell Long Shackle Padlock has a laminated steel body for maximum strength, with stainless steel and zinc outer components to ensure durability and weather resistance. The octagonal boron-carbide shackle is 50% harder than hardened steel, ensuring a maximum resistance to cutting and sawing. The lock has a 4-pin cylinder to prevent picking and dual lock ball bearings for maximum resistance against prying.

Supplied With 4
Keys

Keyed To Differ

Weather Resistant
