

Description

The Easyfit Boa Restrictor limits the window opening to 100mm which will allow ventilation with safety. With a stack height of 17mm and arm lengths to suit 60mm or 70mm profiles, this unit is also suitable for use on fire egress applications and is quick to install.

Features

- Arm lengths to suit 60/70mm profile
- Suitable for use of fire egress applications
- British standard exceeded
- Automatic re-engagement
- 2 handed operation for safety
- 100mm initial opening restriction
