

GJ LOCKS 5 Gauge & 7 Gauge Extra Long Tips For Multi Pick

Description

These GJ LOCKS 5 Gauge & 7 Gauge Extra Long Tips are compatible with the GJ LOCKS Multi Pick Tool. The extra long length makes them ideal for use with deep set locks, often found on shipping containers and safes, or other situations where you may struggle to reach with standard length tips.

Features

- Extra long tips ideal for deep set mortice locks
- For use with GJ LOCKS Multi Pick Tool
- 2 tips with different gauge sizes
