

GJ LOCKS Chubb/Union 3G110 Training Cover

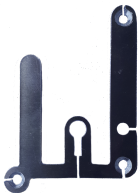

Description

This GJ LOCKS Chubb / Union 3G110 Training Cover is used to allow you to practice mortice lock picking whilst being able to see the internal operation of the lock, this is achieved by simply removing the cover and replacing it with this custom designed plate. It is designed to suit the Chubb / Union 3G110 deadlock, please note that this is a training cover only and the lock has to be purchased separately.

Features

- Simple to fit using the existing screws
- To suit Chubb / Union 3G110 deadlocks
- Invaluable mortice lock picking training aid
- Allows you to see the levers as you pick them
