

ERA Maxim Inline Locking Espag Handle

Description

This ERA Maxim Inline Locking Espag Handle has a 40mm spindle and is non-handed to suit both right handed and left handed window applications. The modern espagnolette handle features a recessed button and has a firm ergonomic design grip for easy operation. With a positive click on closing, it automatically deadlocks for enhanced security. The finish meets the requirements of BS EN 1670:2007 Grade 3 and has been endurance tested to over 50,000 cycles, complete with a 10 year guarantee.
