

YALE Sync Smart Home Smoke Detector

Description

The YALE Sync Smart Home Smoke Detector is wireless and is compatible with the Yale Sync Smart Home Alarm & Yale Intruder Home Alarm systems. When smoke is detected, both the siren and alarm will trigger, and a built in PIR motion detector will also activate the alarm when motion is detected, working up to 200m away from the control panel. Batteries and fixings are included to ensure an easy set up and it comes complete with a 2 year manufacturer's guarantee.
