

EVVA A5 KDZ Euro Key & Turn Classroom Cylinder 1 Bitted

Description

The EVVA A5 KDZ Euro Key & Turn Classroom Cylinder is service pinned for self assembly, featuring a 1 bitted 5 pin mechanism and an unrestricted key profile. It has been tested for 30 minutes fire resistance (to 821°C) and it is supplied complete with 3 keys. The classroom function ensures that somebody in the room cannot prevent access to a keyholder. The lock can be unlocked by key even if the thumbturn is held, ensuring it is always possible to escape in the case of an emergency. The cylinder is left handed as standard but can also be reversed to right handed if required
