

Description

This BULLDOG BT Hitch Lock is suitable for use with Brenderup trailers with Knott KFT100-1040 hitch head and is both quick and easy to fit. It has a highly visible red powder coated finish and utilises the Bulldog Super Lock Bolt case hardened steel locking pin which is both drill and pick resistant. It features a 3mm steel lower channel which fully encases the underside of the drawbar, ensuring maximum resistance from leverage attacks, plus a dummy ring hitch plate to ensure restricted access to the towing point. It is Secured by Design (Police approved specification) and comes complete with 2 keys and a 5 year guarantee.

Supplied With 2 Keys
