

BULLDOG SA7 Fixed Hitch Post

Description

This BULLDOG SA7 Fixed Hitch Post is compatible with all types of hitch, including stabiliser type. It is constructed from 5mm thick steel and has a highly visible yellow powder coated finish. It stands at 400mm tall with a 300mm engagement into the ground, but can be fitted at varying heights if necessary. This hitch post can be used in conjunction with The Bulldog Mini Hitch Lock to ensure optimum security when locking your caravan or trailer to the post.
