

Description

This BULLDOG AJ10 Caravan Hitch Lock has a highly visible red powder coated finish and is suitable for Alko 3004 and 2004 stabiliser hitch heads and Alko AKS1300, AK160 and AK300 hitches. It features the Bulldog Super Lock Bolt which is both drill and pick resistant. It has a unique, versatile design, allowing it to be used when hitched or unhitched, and can also be used with the hitch head stabiliser engaged. It comes in just 2 parts and is easy to fit and store. It comes complete with a plastic ball to restrict access to the towing point and a 5 year guarantee.
