

Description

The LOCINOX Verticlose 2 Hydraulic Gate Closer has railsets included to suit both 90° and 180° hinge situations. The patented Quick-Fix fittings are included guarantee a quick and easy fit, and the integrated pre-tension and continuous micro adjustability of the closing speed and final snap ensure smooth and efficient functionality.

Especially designed for outdoor use, this gate closer is weather resistant, tested between temperatures of -30° to +70°, ensuring a constant closing speed is guaranteed, which remains unaffected by weather conditions. It is easily reversible to suit both left handed and right handed gate applications and has been tested to 500,000 movements. The multifunctional gate closer has a powder coated aluminium housing and is suitable for gates up to 150kg. It comes complete with a 3 year guarantee.
