

Description

The LOCINOX Tiger Hydraulic Gate Closer comes complete with the Puma hinge. This self closing hinge has a 180° opening angle and patented hydraulic damping. It has powder coated aluminium housing and is fully adjustable in the closing speed and final snap, suitable for gates up to 75kg. Especially designed for outdoor use, this gate closer is weather resistant, tested between temperatures of -30° to +70°, ensuring a constant closing speed is guaranteed, which remains unaffected by weather conditions.

The patented Quick-Fix fittings are included ensuring it is quick and easy to fit. It is easily reversible to suit both left handed and right handed gate applications and has been tested to 500,000 movements. It conforms to ROSPA and comes complete with a 3 year guarantee.
