

Description

This LOCINOX Adjustable Security Keep is adjustable to accept different gate profiles of 40mm - 60mm and is suitable for both rectangular and round profiles. It features a patented stainless steel anchoring system for enhanced security which prevents pulling of the gate out of the keep. The weather resistant stainless steel construction has an aluminium extruded stop plate with rubber strip. The unique Quick-Fix ensures both fast and strong mounting and the keep is easily reversible to suit both right handed and left handed gate applications. It comes complete with a 3 year guarantee.
