

Description

The MILA sleek letterbox combines smart design features with reliable operation. The sleek frame and flap design incorporate a concealed flap operating mechanism to maintain subtle exterior sightlines. The letterbox features internal and external thumb access for ease of use. When fully open the external flap opens to 180° without over stressing and smart frame design prevents abrasive action against the flap during operation, the internal flap also opens to 180°.

10 Year Guarantee

Weather Resistant
