

YALE HD720p Indoor WiFi Camera

Description

The YALE Indoor WiFi Camera has HD720p quality with 8m night vision to ensure detailed footage around the clock. With the free Yale View app, the user can view live footage, or record footage using the SD card slot on the camera. The motion detection feature allows the user to keep an eye on their home when they are away, with app notifications and alerts, and 2-way audio so that they can both listen and speak to loved ones and/or pets.

Works With An App

Features
