

Description

The FAITHFULL Double Pad Suction Lifter is ideal for carrying heavy, awkward items such as glass, doors, windows and sheet metal. It is made from ABS plastic with two 120mm rubber gripping pads for maximum hold and securely grips onto glass and other non-porous surfaces. It supports loads of up to 30kg when used in a horizontal orientation, and loads of up to 45kg when used in a vertical orientation. Please note that care should always be taken when calculating the total load to be lifted - do not exceed the maximum load.
