

CODELOCKS A3 RFID Stand Alone Door Controller

Description

The CODELOCKS A3 RFID Stand Alone Door Controller is MIFARE® compatible and provides proximity access for up to 1000 cards. It features LED status indicators, an anti-tamper sensor and a configurable penalty time, and also conforms to IP66 rating. It is a secure and stand alone keyless access solution which requires no external programming, purchase of complex software or licensing costs.

Clean by Codelocks is an optional finish available to special order on many Codelock products. The clear coating combats SARS-CoV-2 coronavirus (COVID-19) and can reduce bacterial growth by 99.96%*, providing an additional measure of protection over sanitisation. Clean by Codelocks features an ISO certified photocatalytic coating which offers enhanced protection against viruses, bacteria, germs and other environmental toxins. For full details please view the data sheet in the associated documents or to order please contact our Specials Department.

IP66 Ingress Protection Rating

Weather Resistant
