

FAITHFULL Bevel Edge Chisel Set - 3 Piece Set

Description

The FAITHFULL Bevel Edge Chisel Set comprises of 3 blister carded chisels with a blade length of 140mm and 3 different blade widths: 13mm, 19mm and 25mm. The blades are manufactured from a hardened and tempered drop-forged Chrome-Vanadium steel to ensure the cutting edges stay sharper for longer, and the impact resistant PVC handles are designed for use with a mallet, or an occasional hammer blow. The bevelled edges are ideal for fine work and cutting into tight corners. Each chisel is supplied with a blade guard. Please note that these chisels require sharpening prior to use.

Features

- Each chisel supplied with blade guard
