

# DAD Decayeux D500 Series Post Box

## Description

---

The D500 Series Post Box from DAD Decayeux has a rust resistant stainless steel construction, featuring a top slot with rainproof flap. It opens at the front to collect your mail and has a door stop to prevent mail items from falling out. It has a large enough aperture and body to collect large post items such as books and magazines. Additionally, the D500 is made with noise dampening materials to provide a virtually noiseless operation. It comes with a 5 year manufacturer's guarantee as well as being supplied with installation instructions and all required fixings.

Supplied With 2  
Keys

5 Year Guarantee
