

Description

The Hooply Container Window Shutter Flag Hinge is suitable for anti vandal window shutters, making it ideal for use with container window shutters. The stainless steel lift off flag hinges are handed to suit left handed or right handed applications. Left handed refers to the LH leaf of the window shutter when viewed from outside and right handed is the RH leaf of the window shutter when viewed from outside.

Features

- Handed for left hand and right hand applications
- Stainless steel construction
- Ideal for containers
- Suitable for anti vandal window shutters
