

MINDER Walk-Safe Super Beam Torch

Description

The MINDER Walk-Safe Super Beam Torch combines an LED torch with a high intensity COB light, with both torch and lamp settings, making it an ideal product for outdoor security. It features a strong magnetic back mount which allows the user to place it on metal objects to free stand whilst working, plus an integral hook for convenience during camping or other outdoor activities. The torch is powerful with 200 lumens bulbs and requires 3 x AAA batteries (not included).

Features

- Requires 3 x AAA batteries (not included)
- Handy integral hook
- Strong magnetic mount
- Torch, lamp and off modes
- 200 Lumens
